CLASS ACTION

15 This Document Relates To: )

16 ALL ACTIONS. )

AMENDED [PROPOSED] ORDER  
GRANTING PLAINTIFFS' MOTION FOR  
CLASS CERTIFICATION AND  
APPOINTING COUGHLIN STOIA GELLER  
RUDMAN & ROBBINS LLP AND THE  
KATRIEL LAW FIRM AS CO-LEAD  
CLASS COUNSEL

1 This matter came before the undersigned Honorable James Ware of the above-entitled Court  
2 upon Plaintiffs' motion for class certification. The Court having considered the motion and all other  
3 papers filed concerning that motion, and all other pertinent documents and pleadings filed in this  
4 action,

5 NOW, therefore, it is hereby ORDERED and ADJUDGED:

6 1. Plaintiffs' motion for class certification is hereby granted.

7 2. The following class is hereby certified pursuant to Rule 23(b)(2) and (3) of the  
8 Federal Rules of Civil Procedure:

9 All persons or entities in the United States (excluding federal, state and local  
10 governmental entities, Apple, its directors, officers and members of their families)  
who since April 28, 2003 purchased an iPod directly from Apple.

11 3. The Court also certifies Plaintiffs Melanie Tucker, Mariana Rosen, and Somtai Troy  
12 Charoensak as Class Representatives. Pursuant to Fed. R. Civ. P. 23(g), the Court appoints the  
13 following law firms as Co-Lead Class Counsel: Coughlin Stoia Geller Rudman & Robbins LLP and  
14 The Katriel Law Firm.

15 4. This Court bases this certification and appointment order on the following findings,  
16 all of which are amply supported by Plaintiffs' well-pleaded allegations, Defendants' own  
17 documents, and expert testimony:

18 (a) **Numerosity.** Plaintiffs have demonstrated that "the class is so numerous that  
19 joinder of all members is impracticable" within the meaning of Fed. R. Civ. P. 23(a)(1).

20 (b) **Commonality.** Fed. R. Civ. P. 23(a)(2) requires that there be "questions of law  
21 or fact common to the class." Plaintiffs have satisfied the commonality requirement here by  
22 identifying, *inter alia*, the following common questions of law and fact:

- 23 (i) the definition of the relevant markets;  
24 (ii) Apple's market power within these markets;  
25 (iii) whether Apple monopolized and continues to monopolize the relevant  
26 markets in violation of Section 2;

(iv) whether Apple attempted to monopolize and continues to attempt to monopolize the relevant markets in violation of Section 2;

(v) whether Apple's technological tie-in violated Section 1;

(vi) whether Defendant's conduct caused prices of iPods to be set at supracompetitive levels;

(vii) whether Defendant's conduct injured Plaintiffs and other members of the class and, if so, the appropriate class-wide measure of damages; and

(viii) the appropriateness of injunctive relief to restrain ongoing and future violations of the law.

(c) **Typicality.** Pursuant to Fed. R. Civ. P. 23(a)(3), Plaintiffs must also show that "the claims or defenses of the representative parties are typical of the claims or defenses of the class." The same common questions identified above also serve to satisfy Plaintiffs' burden on typicality. The Court accordingly finds that typicality is met here because Plaintiffs and Class Members seek the same remedies for similar harms under the same legal theories.

(d) **Adequacy.** Pursuant to Fed. R. Civ. P. 23(a)(4), the Court finds that the "representative parties will fairly and adequately represent the [C]lass." The interests of the Plaintiffs are fully aligned with those of the Class, and their chosen counsel are fully capable of effectively prosecuting this litigation.

5. The Court further finds that certification is proper under Rule 23(b)(3). The common questions identified above predominate over any individualized issues concerning the allocation of damages. In other words, "[a] common nucleus of facts and potential legal remedies dominates this litigation." *Hanlon v. Chrysler Corp.*, 150 F.3d 1011, 1022 (9th Cir. 1998). Further, a class action is superior to a series of potentially millions of individual suits. Even if it were feasible for individual Class Members to bring suit, it would be inefficient to re-litigate the numerous common questions in case after case. Moreover, the Court is unaware of any other litigation concerning the controversy at issue herein, and the Court foresees no manageability problems that would militate against class certification.

6. The Court further finds that certification is proper under Rule 23(b)(2). Apple has acted or refused to act in a manner generally applicable to the class as a whole. *Westways World Travel, Inc. v. AMR Corp.*, 218 F.R.D. 223, 240 (C.D. Cal. 2003).

IT IS SO ORDERED.

DATED: \_\_\_\_\_
